NEW BUSINESS:

Board members continued to review and revise the declarations and restrictions to present to the general meeting in either December or in the spring of 2011.

Marilyn reported that she would be obtaining a letter from John Thomas relinquishing the former development's rights to the open space so that we may proceed with the revisions and elimination of the developer from the declarations.

With no further business the meeting was adjourned at 8:00 P.M.

Respectfully submitted,

Jason Livengood  
Secretary
